The Townhouse Corporation

Developer shall cause to be created a non-profit corporation under the Texas Non-Profit Corporation Act for the purpose of administering the operation and maintenance of the Common Area and providing the other functions herein delegated to the Corporation.

Section 2.01 - Membership. Every person or entity who is a record owner of a Townhouse Lot, including contract purchasers, shall be a Member of the Corporation. The foregoing is not intended to include persons or entities who hold an interest merely as security for the performance of an obligation. Membership shall be appurtenant to and may not be separate from ownership of a Townhouse Lot. Ownership of such Townhouse Lot shall be the sole qualification for membership.

Section 2.02 - Voting Rights. The Corporation shall have two classes of voting membership:

Class "A". Class "A" members shall be all Owners with the exception of the Developer, each of which Owners shall be entitled to one (1) vote for each Townhouse Lot owned by him. When more than one person owns a fee interest in any Townhouse Lot, all such interested persons shall be members; however, the vote for such Townhouse Lot in which more than one person has a fee interest

shall be cast by the person or persons having a majority interest; and in the event the persons having a majority interest are not able to agree in respect to a vote upon any matter, then such Owners shall not have a right to vote on such matter as there shall be no fractional votes.

Class "B". Class "B" member shall be the Developer, who shall be entitled to three (3) votes for each Townhouse Lot owned by it, whether improved or unimproved. In determining the number of Townhouse Lots owned by Developer for voting purposes, there shall also be counted the number of Townhouse Lots it owns in the entire Property then made subject to the terms and provisions of this Declaration, including specifically any added or annexed property. The Class "B" membership shall cease and be converted into Class "A" membership at such time as the total votes outstanding in the Class "A" members equals for a period of at least twenty-four (24) consecutive months the total votes outstanding in the Class "B" membership.

The Board of Directors may make such regulations consistent with the Articles of Incorporation of the Corporation and with this Declaration as it deems advisable for any meetings of Members in regard to proof of membership in the Corporation, evidence of right to vote, the appointment and duties of inspectors of votes, registration of Members for voting purposes and such other matters concerning the conduct of meetings and voting as it shall deem proper.

Section 2.03 - Board of Directors. All of the affairs, policies and regulations of the Corporation shall be administered by the Board of Directors of the Corporation consisting of not less than three (3) directors.

ARTICLE III

Property RightsSection 3.01 - Members' Easement of Enjoyment.

Every Member shall have a right and easement of enjoyment in and to the Common Area and such easement shall be appurtenant to and shall pass with the title to every Townhouse Lot, subject to the following provisions:

(a) The right of the Corporation to limit the number of guests of Members;

(b) The right of the Corporation, in accordance with its Articles of Incorporation and By-Laws, to borrow money for the purpose of improving the Common Area and facilities, and in aid thereof to mortgage said property, and the rights of such mortgagee in said property shall be subordinate to the rights of the Members hereunder;

(c) The right of the Corporation to suspend the voting rights and right to use the recreational facilities of any Member for any period during which such Member is in default of any provision of this Declaration and, for a period not to exceed thirty (30) days, for any infraction of its published rules and regulations;

(d) The right of the Corporation to dedicate or transfer, with the written consent of all first lienholders, if any, all or any part of the Common Area to

any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed to by the Members. No such dedication or transfer shall be effective unless an instrument signed by the Members entitled to cast seventy-five percent (75%) of the votes has been recorded, agreeing to such dedication or transfer.

Section 3.02 - Delegation of Use. Any Member may delegate his right of enjoyment to the Common Area and facilities to the members of his family, his tenants, or contract purchasers who reside in the Property, subject to such rules and regulations as may from time to time be promulgated by the Corporation.

Section 3.03 - Title to the Common Area. Developer hereby covenants for itself, its successors and assigns, that it will convey, or cause to be conveyed, title to the Common Area to the Corporation. The Common Area shall remain undivided, and shall at all times be controlled by the Corporation or its successors, it being agreed that this restriction is necessary in order to preserve the right of each Townhouse Owner with respect to the operation and management of the Common Area.

Section 3.04 - Easement for Encroachment. Each Townhouse Lot and the property included in the Common Area shall be subject to an easement for encroachments created by construction, settling and overhangs, as designed or constructed by the Developer. A valid easement for said encroachments and for the maintenance of same, so long as it stands, shall and does exist. In the event the multi-family structure containing two

or more Townhouses is partially and totally destroyed, and then rebuilt, the Owners of the Townhouses so affected agree that minor encroachments of parts of the adjacent Townhouse units or Common Areas due to construction shall be permitted and that a valid easement for said encroachment and the maintenance thereof shall exist.

Section 3.05 - Easement for Utilities. There is hereby created permanent easements upon, across, over and under those portions of the Property as may be reasonably necessary for the installation, maintenance and repair of all utilities, including, but not limited to, water, sewers, gas, telephones and electricity, and a master television antenna system, which easements shall run to and be administered by the Corporation. An easement is further granted to all police, fire protection, ambulance and all similar persons to enter upon the streets and Common Area in the performance of their duties. Further, an easement is hereby granted to the Corporation, its officers, agents, employees, and to any management company selected by the Corporation to enter in or to cross over the Common Area and any Townhouse Lot to perform the duties of maintenance and repair of the Townhouses or Common Area provided for herein. No utility company, water district or other authorized entity using the easements herein referred to shall be liable for any damage done by them or their agents or employees to the shrubbery, trees, flowers or other property of any Townhouse Owner situated within or on the land covered by such easements. Notwithstanding anything to the contrary contained in this paragraph, no sewers, electrical lines, water lines, or other utilities

may be installed or relocated on the Property except as provided in Section 8.10 hereof. Developer reserves the right to grant (without necessity for consent from any Townhouse Owner) such additional utility easements as may, in its judgment, be necessary to properly serve the Subdivision's utility requirements.

ARTICLE IV

Covenants for Maintenance Assessments

Section 4.01 - Creation of the Lien and Personal

Obligation. The Developer, for each Townhouse Lot within the Property, hereby covenants, and each Townhouse Owner, by acceptance of a deed thereto, whether or not it shall be so expressed in any such deed, is deemed to covenant and agree, to pay to the Corporation annual assessments or charges, and special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided in Sections 4.03, 4.04, 4.05 and 4.06. The annual and special assessments, together with such interest thereon and costs of collection thereof, including reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Townhouse Lot against which each such assessment is made. Each such assessment, together with such interests, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such Townhouse Lot at the time when the assessment fell due. The personal obligation shall not pass to his successor in title unless expressly assumed by them.

Section 4.02 - Purpose of Assessments. The assessments levied by the Corporation shall be used exclusively for

the purpose of promoting the health, safety, and welfare of the residents of the Property and, in particular, for the improvement and maintenance of the Property, the Townhouses situated therein, the Common Area and all related facilities and for providing services to enhance the use and enjoyment of said Common Area and of the Townhouses situated in the Property. The purpose of the assessments shall include, but are not limited to, providing payment of the actual cost to the Corporation of the insurance, repair, replacement and maintenance of the Common Area and of such maintenance of the exteriors of the Townhouses as may from time to time be authorized by the Board of Directors, providing payment for such other facilities and activities as mowing grass, caring for the grounds, sprinkler system, landscaping, fences, masonry walls, lighting, roofs and exterior walls of the Townhouses, sidewalks, streets, and drives within the Property, providing for collecting and disposing of garbage, trash or rubbish and performing such other functions as the Board of Directors of the Corporation shall determine to be necessary to meet the primary purposes of the Corporation.

The foregoing enumeration of purposes of the assessments shall not be deemed to require the Corporation to use the funds derived from such assessment for any one or more of such purposes or to require that any particular amount of funds be expended for any particular purpose. The Corporation shall be entitled to expend such amounts as and for such of the foregoing enumerated purposes as it shall determine, in the exercise of its reasonable and prudent judgment, to be necessary and proper. However, the Corporation shall remit to Developer or to the entity controlling the "Maintenance Funds" as described in restrictions of record in Galveston County, \$84.00 yearly or the amount assessed to lot owners in Pirates Beach and Pirates Cove Subdivision for each Townhouse Lot now or hereafter subject to the assessment provided in Section 4.03.

Section 4.03 - Basis and Maximum of Annual Assess-

ments. The annual assessment during the calendar year 1974 shall be \$540.00 per Townhouse Lot. The maximum annual assessment for each calendar year after 1974 may be increased or decreased over the amount of annual assessment imposed for the immediately preceding year by action of the Board of Directors of the Corporation, without approval of the Membership, by such amount as the Board of Directors, in its sole discretion, shall deem to be required in order to carry out the purposes of the Corporation and the assessments herein provided for.

Section 4.04 - Special Assessments for Capital Im-

provements. In addition to the annual assessment authorized above, the Corporation may levy in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto. Any such special assessment shall require the assent of seventy-five percent (75%) of the votes of the Corporation Members, at a meeting duly called for such purpose, written notice of which shall be sent to all Corporation Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting, setting forth the purposes of the meetings.

Section 4.05 - Uniform Rate of Assessment. Both

annual and special assessments must be fixed at a uniform rate for all Townhouse Lots and may be collected on a quarterly basis with each Townhouse Owner paying an amount equal to that paid by each of the other Townhouse Owners.

Section 4.06 - Date of Commencement of Annual Assessments. The annual assessments provided for herein shall relate to a fiscal year commencing on July 1st and ending on June 30th of the next year and shall commence as to each Townhouse Lot on the first day of the month following the date on which the Developer shall have sold and conveyed title to such Townhouse Lot. In no event shall any assessment be levied against any Townhouse Lot either owned by Developer or specifically excepted from assessment by Developer. The first annual assessment shall be adjusted according to the number of months remaining in the then current fiscal year. The Board of Directors shall fix the amount of the annual assessment against the Townhouse Lots at least thirty (30) days in advance of each such annual assessment period. Written notice of the annual assessment shall be sent to every Member. The annual assessment shall be payable in twelve equal installments of \$45.00 each and the due date of the first such installment shall be July 1st of each year with similar monthly installments of \$45.00 being due and payable on the first day of each succeeding calendar month. The Corporation shall upon demand at any time furnish a certificate in writing, signed by an officer of the Corporation, setting forth whether the assessments on a specified Townhouse Lot have been paid. A reasonable charge may be made by the Board for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 4.07 - Effect of Nonpayment of Assessments; Remedies of the Corporation. Any installments of such assess-

ments which are not paid when due shall be delinquent. If any monthly installment of the assessment is not paid within thirty (30) days after the due date, such installment shall bear interest from the date of delinquency at the rate of ten percent (10%) per annum, and the Corporation may bring an action at law against the Owner personally obligated to pay the same to recover the amount of the delinquent account and all accrued interest thereon, costs, and reasonable attorney's fees for such action, and to foreclose the lien securing such assessment against the subject Townhouse Lot. Each such Townhouse Owner, by his acceptance of a deed to a Townhouse Lot, hereby expressly vests in the Corporation, or its agents, the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Corporation in a like manner as a mortgage or deed of trust lien on real property, and such Owner hereby expressly grants to the Corporation a power of sale in connection with said lien, same to be exercised in compliance with the terms of Article 3810 of the Texas Civil Statutes. The lien provided for in this Section shall be in favor of the Corporation and shall be for the benefit of all other Townhouse Owners. The Corporation, acting on behalf of the Townhouse Owners, shall have the power to bid in an interest foreclosed at foreclosure sale and to acquire and hold, lease and mortgage the same. No Townhouse Owner may waive or otherwise escape liability for any and all assessments provided for herein by non-use

of the Common Area or abandonment, sale or other disposition of his Townhouse Lot.

Section 4.08 - Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages imposed on the Townhouse Lots to secure debt incurred for the purchase price thereof or for improvements thereto. Sale, transfer or other disposition of any Townhouse Lot shall not affect the assessment lien. However, the sale or transfer of any Townhouse Lot which is subject to any mortgage, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to payments thereof which became due prior to such sale or transfer. No sale or transfer of any kind, including foreclosure, shall relieve such Townhouse Lot from liability for any assessments thereafter becoming due or from the lien thereof.

ARTICLE V

Architectural Control

Section 5.01. No building, fence, wall, pier, dock, swimming pool, playground equipment, outdoor cooking or eating facility of permanent nature or other structure of any kind shall be commenced, erected or maintained upon any Townhouse Lot after the purchase of any Townhouse Lot from Developer, its successors or assigns, nor shall any exterior addition to or change or alteration of the exterior thereof be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing by

the Architectural Control Committee (herein sometimes called the "Committee") composed of three (3) or more representatives from time to time appointed by the Developer. The persons serving from time to time on the Committee may be removed, with or without cause, by the Developer at such times and for such reasons as Developer may determine in the exercise of its sole discretion. In the event of the removal of one or more members of such Committee, the Developer shall promptly designate other persons to replace those so removed. Approval by such Committee shall be granted or withheld based on matters of compliance with the provisions of this instrument, quality of materials, harmony of external design with existing and proposed structures and location with respect to topographical and finished grade elevation and such other relevant considerations as the Architectural Control Committee may, in the exercise of its sole discretion, determine to be of significance in such determination. Each application made for architectural control approval shall be accompanied by a fee of \$100.00 to defray expenses of the Committee and by a set of plans and specifications of all proposed construction and other work to be done, including a plat plan showing the location on the Townhouse Lot and dimensions of all proposed walls, drives, curb cuts and other matters relevant to architectural approval. As to each set of plans and specifications which are approved by the Committee, a certificate of compliance shall be issued authorizing construction of the proposed improvements in accordance with the plans and specifications so approved. In the event said Committee, fails to approve or disapprove

such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will be presumed and this Article will be deemed to have been fully complied with.

Section 5.02. No exterior aerial antenna, flag pole of any kind or other structure (except chimney) shall project above the uppermost roof line of the Townhouse on any Townhouse Lot.

Section 5.03. The Architectural Control Committee shall have the power and authority, to be exercised in its sole discretion, to authorize variances and exemptions from the terms and provisions of any of the restrictive covenants and requirements set forth in this Article V or in Article VIII hereof, as to any one or more of the Townhouse Lots.

Section 5.04. The rights, powers and duties reserved unto Developer in this Article V shall remain in force and effect so long as the Covenants and Restrictions set forth herein shall be and remain in force and effect.

Section 5.05. The terms and provisions of this Article V may be enforced in the same manner as the other terms and provisions hereof are enforced pursuant to Section 9.11 hereof.

ARTICLE VI

Section 6.01 - Owner's Maintenance Responsibilities.

Such exterior maintenance shall not include glass surfaces. The times and extent of such maintenance and repair shall be determined by the Corporation in its sole discretion. The exterior maintenance to be performed by the Corporation shall extend only to maintenance and repair of normal wear and tear, and not to exterior damage caused by casualty ("casualty damage"). Each Townhouse Owner shall be responsible for and shall promptly cause to be made the repair of any such casualty damage to his respective Townhouse in a good and workmanlike manner and in accordance with the original plans and specifications for such Townhouse. In the event any such Owner shall fail or refuse to repair such casualty damage within thirty (30) days, the Corporation is hereby irrevocably authorized by such Owner to repair such casualty damage. The Owner shall promptly repay the Corporation for all amounts expended in making such repairs of casualty damage, and the Corporation shall have a lien to

secure payment thereof in like manner as the lien to secure payment of the assessments provided for in Article IV above, with the right of foreclosure.

There is hereby reserved in favor of the Corporation the right to enter upon all of the Townhouse Lots and buildings located thereon for the purpose of conducting a periodic program of exterior maintenance and repair.

The Corporation shall not be responsible for repairs beyond the exterior surfaces of the Townhouses, all such repairs being the responsibility of the Townhouse Owner.

Section 6.04 - Management Agreements. Each Owner of a Townhouse Lot hereby agrees to be bound by the terms and conditions of all management agreements entered into by the Corporation. A copy of all such agreements shall be available to each Owner. Any and all management agreements entered into by the Corporation shall provide that said management agreement may be cancelled by an affirmative vote of seventy-five percent (75%) of the votes of the Members of the Corporation. In no event shall such management agreement be cancelled prior to the effecting by the Corporation or its Board of Directors of a new management agreement with a party or parties, which new management agreement will become operative immediately upon the cancellation of the preceding management agreement. It shall be the duty of the Corporation or its Board of Directors to effect a new management agreement prior to the expiration of the term of any prior management contract. All auxiliary machines or equipment or facilities used in the Property in connection with any such energies or services shall be located only in such manner and upon such conditions as may be specifically approved by said Architectural Control Committee.

ARTICLE IX

DEED OF TRUST

General ProvisionsBOOK 2564 PAGE 615Section 9.01 - Annexation of Additional Lands. At

any time prior to the termination of the Covenants and Restrictions set forth herein, Developer, in its sole discretion, may annex and add to the land covered by this Declaration additional Townhouse Lots in Pirates Landing -1 and lands in other sections of Pirates Landing Subdivision, as such sections are platted and filed for record in the Office of the County Clerk of Galveston County, Texas. Such action shall not require the consent or joinder of the existing Members of the Townhouse Corporation or of the Townhouse Owners and shall be effected by Developer executing and filing for record in Galveston County, Texas, a written declaration that such additional Townhouse Lots in Pirates Landing - 1 or the lands included within the sections shown on any such recorded plat, so identified therein, are thereby covered by and made subject to all of the terms and provisions of this instrument. Upon the execution and filing of such declaration the additional Townhouse Lots or the land covered by such recorded plat shall comprise a part of the Property covered hereby to the full extent as if such land had been listed, described and designated in Exhibit "A" hereto (except that its liability for assessment shall not accrue until the date such declaration is filed for record, as aforesaid) and the subsequent owners of the Townhouse Lots included in such additional land shall thereafter be bound by the terms and provisions hereof and entitled to all of the rights, privileges and benefits of the Townhouse Owners.

Section 9.02 -- Replatting of Unsold Building Locations. Provided no Lot in a specific building location as shown on the Plat has been sold by Developer, there is hereby reserved to Developer the right, in its sole discretion, to replat such building location to change the size, location or dimensions of the Townhouse Lots therein. Any such change may alter the Common Area adjoining the building location being changed, provided that such replatting shall not affect or alter the land upon which any building constituting a part of the Common Area is located, and provided that the total acreage contained in the Common Area may not be reduced by more than ten percent (10%). Any such replat provided for in this Section shall not require the consent or joinder of the existing Members of the Corporation.

Section 9.03 - Water Service. Water meters will be installed on each Lot following the approval of plans and specifications for such Lot by the Architectural Control Committee and all water charges thereafter accruing will be metered and billed to the Townhouse Owner.

Section 9.04 - Electrical Utility Service. A semi-underground electric distribution system will be installed in that part of Pirates Landing - 1, designated Semi-Underground Residential Subdivision, which semi-underground service area shall embrace all lots in Pirates Landing - 1. The owner of each Townhouse Lot in the Semi-Underground Residential Subdivision shall, at his own cost, furnish, install, own and maintain (all in accordance with the requirements of local governing authorities and the National Electrical Code) the underground service cable and appurtenances from the point of the electric company's metering on the customer's structure to

the point of attachment at such company's energized secondary junction boxes, such point of attachment to be made available by the electric company at a point designated by such company at the property line of each lot. The electric company furnishing service shall make the necessary connections at said point of attachment and at the meter. In addition, the owner of each Townhouse Lot shall, at his own cost, furnish, install, own and maintain a meter loop (in accordance with the current standards and specifications of the electric company furnishing service) for the location and installation of the meter of such owner's lot. For so long as semi-underground service is maintained, the electric service to each lot in the Semi-Underground Residential Subdivision shall be uniform in character and exclusively of the type known as single phase, 120/240 volt, three wire, 60 cycle, alternating current.

Section 9.05 - Right to Use Other Facilities. The Townhouse Owners and their respective families and guests shall have the right to use the combined recreational facilities of the Pirates Beach and Pirates Cove subdivisions situated in Galveston County, Texas.

Section 9.06 - Rules and Regulations. Developer retains the right and power to promulgate and impose rules and regulations, and to vary and amend same from time to time as may be necessary, relating to the use and occupancy of the Townhouse Lots, the Townhouses constructed thereon, the Common Area and all related facilities now or hereafter constructed thereon, so as to provide for the safe and orderly use of such properties and facilities.

Section 9.07 - Disclaimer of Developer's Responsibilities. It is expressly agreed and understood that Developer shall assume no obligation, responsibility or liability for the enforcement of any of the restrictions or other terms of this instrument or for the collection of the annual assessments provided for herein.

Section 9.08 - Duration. The Covenants and Restrictions set forth in this Declaration shall be deemed to run with all or any portion of the Property, and shall be a burden and a benefit to Developer, its successors and assigns, and any persons acquiring or owning any interest in the Property, their grantees, successors, heirs, executors, administrators and assigns; and shall run with the land and shall be binding on all parties and persons claiming under them until December 31, 2000, after which time these Covenants and Restrictions shall be automatically extended for successive periods of ten (10) years each unless, prior to the expiration of any such ten-year period, an instrument signed by the then Owners of seventy-five percent (75%) of the Townhouse Lots, agreeing to change these restrictions in whole or in part, has been filed for record in Galveston County, Texas.

Section 9.09 - Amendments. Any or all of the Covenants, Restrictions or other terms and provisions set forth in this Declaration may be repealed, amended or modified either as to all or any part of the Property at any time and from time to time by the action and approval of the Townhouse Owners who at such time own 75% of the Townhouse Lots then subject to and covered by this Declaration. The owner of each Townhouse Lot, including Developer, shall be entitled to one vote for each Townhouse Lot owned by it. Such repeal, amendment or modifi-

cation shall be effected by an instrument in writing executed by the persons or entities, including Developer, who own seventy-five percent of the Townhouse Lots then subject to and covered by this Declaration, and filed for record in the Office of the County Clerk of Galveston County, Texas. Provided, however, that no amendment shall be made which shall in any manner impair the security of any institutional lender having a mortgage or other lien against any Townhouse Lot or the Common Area, or any other record owners of liens thereon; nor shall any amendment in any manner impair the management agreement, if any, then in effect.

Section 9.10 - Waiver of Liability. Neither the Developer nor the Corporation shall be held liable for any personal injury or damage to property resulting from acts or omissions by the Developer or the Corporation or their respective agents or employees in connection with the carrying out of any of their rights, duties or obligations under the terms of this instrument or in otherwise developing the Property.

Section 9.11 - Enforcement. The Corporation, and any Townhouse Owner, shall have the right to enforce all of the Covenants and Restrictions imposed by the provisions of this Declaration, as the same may be amended from time to time, including specifically but not limited to the terms and provisions of Article V hereof, by any proceedings at law or in equity against any person or persons so violating or attempting to violate any of the provisions hereof, including by means of actions to restrain or prevent such violation or attempted violation by injunction, prohibitive or mandatory. It shall not be a prerequisite to the granting of any such injunction that there be inadequate remedy at law or that there be any

showing of irreparable harm or damage if such injunction is not granted. In addition, any person entitled to enforce the provisions hereof may recover such damages, either actual or punitive, as such person may show himself justly entitled by reason of such violation of terms and provisions hereof. The Corporation is hereby expressly authorized to use its funds for the purpose of assisting in the enforcement of the terms and provisions hereof. Failure by the Corporation or by any Townhouse Owner to enforce any Covenant or Restriction herein contained, or acquiescence in any violation shall not be deemed a waiver of the right to enforce against the violator or others the conditions so violated or any other conditions. In addition, the Corporation shall have the right to enter the Property of the violator and correct the violation, or to require the same be corrected.

Section 9.12 - Severability. Invalidation of any of these Covenants or Restrictions by judgment, court order or otherwise, shall in nowise affect the validity of any other provisions, which shall remain in full force and effect.

Section 9.13 - Headings. All section and paragraph headings used herein are for convenience only and shall have no efficacy in construing any of the provisions hereof.

Section 9.14. Pirates Landing, Inc., the owner of a portion of the Townhouse Lots described and designated on Exhibit "A" hereto, joins in the execution hereof for the purpose of adopting, ratifying and confirming all of the terms and provisions of this Declaration and to impose all of such terms and provisions on each and all of the Townhouse Lots in Pirates Landing, Inc., owned by it to the full extent and in the same manner as if all of the Townhouse Lots described

and designated in Exhibit "A" hereto were owned by Developer on the date of execution and recording of this Declaration.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by their duly authorized officers on the day and year first hereinabove written.

The Common Area shall remain undivided, and shall at all times be controlled by the Corporation or its successors, it being agreed that this restriction is necessary in order to preserve the right of each Townhouse Owner with respect to the operation and management of the Common Area.

ARTICLE IV

Covenants for Maintenance Assessments

Section 4.01 - Creation of the Lien and Personal

Obligation. The Developer, for each Townhouse Lot within the Property, hereby covenants, and each Townhouse Owner, by acceptance of a deed thereto, whether or not it shall be so expressed in any such deed, is deemed to covenant and agree, to pay to the Corporation annual assessments or charges, and special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided in Sections 4.03, 4.04, 4.05 and 4.06. The annual and special assessments, together with such interest thereon and costs of collection thereof, including reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the Townhouse Lot against which each such assessment is made. Each such assessment, together with such interests, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the owner of such Townhouse Lot at the time when the assessment fell due. The personal obligation shall not pass to his successor in title unless expressly assumed by them.

Section 4.02 - Purpose of Assessments. The assessments levied by the Corporation shall be used exclusively for

the purpose of promoting the health, safety, and welfare of the residents of the Property and, in particular, for the improvement and maintenance of the Property, the Townhouses situated therein, the Common Area and all related facilities and for providing services to enhance the use and enjoyment of said Common Area and of the Townhouses situated in the Property. The purpose of the assessments shall include, but are not limited to, providing payment of the actual cost to the Corporation of the insurance, repair, replacement and maintenance of the Common Area and of such maintenance of the exteriors of the Townhouses as may from time to time be authorized by the Board of Directors, providing payment for such other facilities and activities as mowing grass, caring for the grounds, sprinkler system, landscaping, fences, masonry walls, lighting, roofs and exterior walls of the Townhouses, sidewalks, streets, and drives within the Property, providing for collecting and disposing of garbage, trash or rubbish and performing such other functions as the Board of Directors of the Corporation shall determine to be necessary to meet the primary purposes of the Corporation.

The foregoing enumeration of purposes of the assessments shall not be deemed to require the Corporation to use the funds derived from such assessment for any one or more of such purposes or to require that any particular amount of funds be expended for any particular purpose. The Corporation shall be entitled to expend such amounts as and for such of the foregoing enumerated purposes as it shall determine, in the exercise of its reasonable and prudent judgment, to be necessary and proper. However, the Corporation shall remit to Developer or to the entity controlling the "Maintenance Funds" as described in restrictions of record in Galveston County, \$84.00 yearly or the amount assessed to lot owners in Pirates Beach and Pirates Cove Subdivision for each Townhouse Lot now or hereafter subject to the assessment provided in Section 4.03.

Section 4.03 - Basis and Maximum of Annual Assessments. The annual assessment during the calendar year 1974 shall be \$540.00 per Townhouse Lot. The maximum annual assessment for each calendar year after 1974 may be increased or decreased over the amount of annual assessment imposed for the immediately preceding year by action of the Board of Directors of the Corporation, without approval of the Membership, by such amount as the Board of Directors, in its sole discretion, shall deem to be required in order to carry out the purposes of the Corporation and the assessments herein provided for.

Section 4.04 - Special Assessments for Capital Improvements. In addition to the annual assessment authorized above, the Corporation may levy in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto. Any such special assessment shall require the assent of seventy-five percent (75%) of the votes of the Corporation Members, at a meeting duly called for such purpose, written notice of which shall be sent to all Corporation Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting, setting forth the purposes of the meetings.

Section 4.05 - Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Townhouse Lots and may be collected on a quarterly basis with each Townhouse Owner paying an amount equal to that paid by each of the other Townhouse Owners.

Section 4.06 - Date of Commencement of Annual Assessments. The annual assessments provided for herein shall relate to a fiscal year commencing on July 1st and ending on June 30th of the next year and shall commence as to each Townhouse Lot on the first day of the month following the date on which the Developer shall have sold and conveyed title to such Townhouse Lot. In no event shall any assessment be levied against any Townhouse Lot either owned by Developer or specifically excepted from assessment by Developer. The first annual assessment shall be adjusted according to the number of months remaining in the then current fiscal year. The Board of Directors shall fix the amount of the annual assessment against the Townhouse Lots at least thirty (30) days in advance of each such annual assessment period. Written notice of the annual assessment shall be sent to every Member. The annual assessment shall be payable in twelve equal installments of \$45.00 each and the due date of the first such installment shall be July 1st of each year with similar monthly installments of \$45.00 being due and payable on the first day of each succeeding calendar month. The Corporation shall upon demand at any time furnish a certificate in writing, signed by an officer of the Corporation, setting forth whether the assessments on a specified Townhouse Lot have been paid. A reasonable charge may be made by the Board for the issuance of these certificates. Such certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 4.07 - Effect of Nonpayment of Assessments; Remedies of the Corporation. Any installments of such assess-

ments which are not paid when due shall be delinquent. If any monthly installment of the assessment is not paid within thirty (30) days after the due date, such installment shall bear interest from the date of delinquency at the rate of ten percent (10%) per annum, and the Corporation may bring an action at law against the Owner personally obligated to pay the same to recover the amount of the delinquent account and all accrued interest thereon, costs, and reasonable attorney's fees for such action, and to foreclose the lien securing such assessment against the subject Townhouse Lot. Each such Townhouse Owner, by his acceptance of a deed to a Townhouse Lot, hereby expressly vests in the Corporation, or its agents, the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Corporation in a like manner as a mortgage or deed of trust lien on real property, and such Owner hereby expressly grants to the Corporation a power of sale in connection with said lien, same to be exercised in compliance with the terms of Article 3810 of the Texas Civil Statutes. The lien provided for in this Section shall be in favor of the Corporation and shall be for the benefit of all other Townhouse Owners. The Corporation, acting on behalf of the Townhouse Owners, shall have the power to bid in an interest foreclosed at foreclosure sale and to acquire and hold, lease and mortgage the same. No Townhouse Owner may waive or otherwise escape liability for any and all assessments provided for herein by non-use

of the Common Area or abandonment, sale or other disposition of his Townhouse Lot.

Section 4.08 - Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages imposed on the Townhouse Lots to secure debt incurred for the purchase price thereof or for improvements thereto. Sale, transfer or other disposition of any Townhouse Lot shall not affect the assessment lien. However, the sale or transfer of any Townhouse Lot which is subject to any mortgage, pursuant to a decree of foreclosure under such mortgage or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to payments thereof which became due prior to such sale or transfer. No sale or transfer of any kind, including foreclosure, shall relieve such Townhouse Lot from liability for any assessments thereafter becoming due or from the lien thereof.

In the event of the removal of one or more members of such Committee, the Developer shall promptly designate other persons to replace those so removed. Approval by such Committee shall be granted or withheld based on matters of compliance with the provisions of this instrument, quality of materials, harmony of external design with existing and proposed structures and location with respect to topographical and finished grade elevation and such other relevant considerations as the Architectural Control Committee may, in the exercise of its sole discretion, determine to be of significance in such determination. Each application made for architectural control approval shall be accompanied by a fee of \$100.00 to defray expenses of the Committee and by a set of plans and specifications of all proposed construction and other work to be done, including a plat plan showing the location on the Townhouse Lot and dimensions of all proposed walls, drives, curb cuts and other matters relevant to architectural approval. As to each set of plans and specifications which are approved by the Committee, a certificate of compliance shall be issued authorizing construction of the proposed improvements in accordance with the plans and specifications so approved. In the event said Committee, fails to approve or disapprove

Section 5.04. The rights, powers and duties reserved unto Developer in this Article V shall remain in force and effect so long as the Covenants and Restrictions set forth herein shall be and remain in force and effect.

Section 5.05. The terms and provisions of this Article V may be enforced in the same manner as the other terms and provisions hereof are enforced pursuant to Section 9.11 hereof.

ARTICLE VI

The exterior of all Townhouses shall be maintained and repaired on a periodic basis by the Corporation, which maintenance and repair shall include, but shall not be limited to, repainting and repair of exterior walls, shutters, trim, eaves, fences, gutters, downspouts, roofs or any portion of the foregoing. Such exterior maintenance shall not include glass surfaces. The times and extent of such maintenance and repair shall be determined by the Corporation in its sole discretion. The exterior maintenance to be performed by the Corporation shall extend only to maintenance and repair of normal wear and tear, and not to exterior damage caused by casualty ("casualty damage"). Each Townhouse Owner shall be responsible for and shall promptly cause to be made the repair of any such casualty damage to his respective Townhouse in a good and workmanlike manner and in accordance with the original plans and specifications for such Townhouse. In the event any such Owner shall fail or refuse to repair such casualty damage within thirty (30) days, the Corporation is hereby irrevocably authorized by such Owner to repair such casualty damage. The Owner shall promptly repay the Corporation for all amounts expended in making such repairs of casualty damage, and the Corporation shall have a lien to

secure payment thereof in like manner as the lien to secure payment of the assessments provided for in Article IV above, with the right of foreclosure.

There is hereby reserved in favor of the Corporation the right to enter upon all of the Townhouse Lots and buildings located thereon for the purpose of conducting a periodic program of exterior maintenance and repair.

The Corporation shall not be responsible for repairs beyond the exterior surfaces of the Townhouses, all such repairs being the responsibility of the Townhouse Owner.

Section 6.04 - Management Agreements. Each Owner of a Townhouse Lot hereby agrees to be bound by the terms and conditions of all management agreements entered into by the Corporation. A copy of all such agreements shall be available to each Owner. Any and all management agreements entered into by the Corporation shall provide that said management agreement may be cancelled by an affirmative vote of seventy-five percent (75%) of the votes of the Members of the Corporation. In no event shall such management agreement be cancelled prior to the effecting by the Corporation or its Board of Directors of a new management agreement with a party or parties, which new management agreement will become operative immediately upon the cancellation of the preceding management agreement. It shall be the duty of the Corporation or its Board of Directors to effect a new management agreement prior to the expiration of the term of any prior management contract. Provided, however, that no amendment shall be made which shall in any manner impair the security of any institutional lender having a mortgage or other lien against any Townhouse Lot or the Common Area, or any other record owners of liens thereon, nor shall any amendment in any manner impair the management agreement, if any, then in effect.

Section 9.10 - Waiver of Liability. Neither the Developer nor the Corporation shall be held liable for any personal injury or damage to property resulting from acts or omissions by the Developer or the Corporation or their respective agents or employees in connection with the carrying out of any of their rights, duties or obligations under the terms of this instrument or in otherwise developing the Property.

Section 9.11 - Enforcement. The Corporation, and any Townhouse Owner, shall have the right to enforce all of the Covenants and Restrictions imposed by the provisions of this Declaration, as the same may be amended from time to time, including specifically but not limited to the terms and provisions of Article V hereof, by any proceedings at law or in equity against any person or persons so violating or attempting to violate any of the provisions hereof, including by means of actions to restrain or prevent such violation or attempted violation by injunction, prohibitive or mandatory. It shall not be a prerequisite to the granting of any such injunction that there be inadequate remedy at law or that there be any

showing of irreparable harm or damage if such injunction is not granted. In addition, any person entitled to enforce the provisions hereof may recover such damages, either actual or punitive, as such person may show himself justly entitled by reason of such violation of terms and provisions hereof. The Corporation is hereby expressly authorized to use its funds for the purpose of assisting in the enforcement of the terms and provisions hereof. Failure by the Corporation or by any Townhouse Owner to enforce any Covenant or Restriction herein contained, or acquiescence in any violation shall not be deemed a waiver of the right to enforce against the violator or others the conditions so violated or any other conditions. In addition, the Corporation shall have the right to enter the Property of the violator and correct the violation, or to require the same be corrected.

Section 9.12 - Severability. Invalidation of any of these Covenants or Restrictions by judgment, court order or otherwise, shall in nowise affect the validity of any other provisions, which shall remain in full force and effect.

Section 9.13 - Headings. All section and paragraph headings used herein are for convenience only and shall have no efficacy in construing any of the provisions hereof.

Section 9.14. Pirates Landing, Inc., the owner of a portion of the Townhouse Lots described and designated on Exhibit "A" hereto, joins in the execution hereof for the purpose of adopting, ratifying and confirming all of the terms and provisions of this Declaration and to impose all of such terms and provisions on each and all of the Townhouse Lots in Pirates Landing, Inc., owned by it to the full extent and in the same manner as if all of the Townhouse Lots described

Article IV is amended by the addition of Section 4.09,
which shall read follows:

Section 4.09 - Insurance. The Corporation, as defined in Section 1.01 of the Declaration, or its duly authorized officers, shall have the authority to and shall obtain insurance for all the buildings within Pirates Landing - 1, including, but not limited to, any and all Townhouses unless the Townhouse Owners, or any one thereof, have supplied proof of adequate coverage to the Corporation's complete satisfaction, against loss or damage by fire or other hazards in an amount sufficient to cover the full replacement cost or any repair or reconstruction work in the event of damage or destruction from any hazard, and the Corporation shall also obtain a broad form public liability policy covering the Common Area, and all damage or injury caused by the negligence of the Corporation and its agents. Premiums for all insurance except on the individual Townhouses shall be paid by the Corporation. All insurance coverage, including insurance on individual Townhouses obtained by the Corporation, shall be written in the name of the Corporation as Trustee for each of the Townhouse Owners. Insurance on individual Townhouses obtained by Townhouse Owners may be written in the name of the individual Owners. Premiums for insurance obtained by the Corporation on individual Townhouses shall not be part of the common expense but shall be an expense of the specific Townhouse or Townhouses so covered and a debt owed by the Townhouse Owner to the Corporation. The debt for insurance shall be a charge upon the land and a lien to secure its payment is hereby created. The debt shall become a personal obligation of the Townhouse Owner and if not paid within thirty (30) days shall bear the same interest and be foreclosed in the same manner as the liens for maintenance assessments as set forth

in Section 4.07 of the Declaration, such lien shall be subordinate to the lien of any purchase money and/or improvement mortgage. In addition to the aforesaid insurance required to be carried by the Townhouse Owners and/or the Corporation, any Townhouse Owner may, if he wishes, at his own expense, insure his own Townhouse for his own benefit and carry any and all other insurance he deems advisable. It shall be the individual responsibility of each Townhouse Owner at his own expense to provide, as he sees fit, homeowners' liability insurance, theft and other insurance covering personal property damage and loss. In the event of damage or destruction by fire or other casualty to any property covered by insurance written in the name of the Corporation, the Corporation shall, with concurrence of the mortgagee thereof, if any, upon receipt of the insurance proceeds, contract to rebuild or repair such damages or destroyed portions of the property. All insurance proceeds shall be deposited in a bank or other financial institution, the accounts of which bank or institution are insured by a federal governmental agency, with the proviso that the funds may be withdrawn only by signature of at least one-third (1/3) of the members of the Board of Directors of the Corporation, or by an agent duly authorized by the Board of Directors of the Corporation. The Corporation shall advertise for sealed bids with any licensed contractors, and then may negotiate with any contractor, who shall be required to provide full performance and payment bonds, for the repair, reconstruction or rebuilding of such destroyed property. In the event the insurance proceeds are insufficient to pay all the costs of repairing and/or rebuilding to the same condition as formerly, the Corporation shall levy a special assessment against all owners of the damaged Townhouses in such proportions as the Corporation shall deem fair and equitable in the light of the damage sustained by such Townhouses to make up any

deficiency, except that the special assessment shall be levied against all Townhouse Owners, to make up any deficiency for repair or rebuilding of the Common Area not a physical part of a Townhouse. In the event that the insurance proceeds exceed the cost of repair and reconstruction, the excess shall be paid over the respective mortgagees and owners of the damaged Townhouses as their interest may then appear. In the event of damage or destruction by fire or other casualty to any Townhouse, garage, storage area or other property covered by insurance written in the name of an individual Townhouse Owner, said Townhouse Owner, shall, with concurrence of the mortgagee, if any, upon receipt of the insurance proceeds, contract to repair or rebuild such damaged or destroyed portions of the garage, storage area and exterior of the Townhouse in a good and workmanlike manner in conformance with the original plans and specifications of said Townhouse. In the event such owner refuses or fails to so repair and rebuild any and all such damage to the exterior of the Townhouse, garage and storage area within thirty (30) days, the Corporation, by and through its Board of Directors, is hereby irrevocably authorized by the Townhouse Owner to repair and rebuild any such Townhouse and garage and storage area in a good and workmanlike manner in conformance with the original plans and specifications thereof. The Townhouse Owner shall then repay the Corporation in the amount actually expended for such repairs, and the Corporation shall have a lien securing the payment of same identical to that provided above in this Section securing the payment of insurance premiums, and, further, subject to foreclosure as above provided.

II.

Article IX is amended by the addition of Section 9.15, which shall read as follows:

Section 9.15. Notwithstanding any provision herein to the contrary, unless at least seventy-five per cent (75%) of the first mortgagees holding a lien imposed upon any Townhouse Lot to secure debt incurred for the purchase price thereof, or for improvements thereto, have given their prior written approval, the Corporation shall not be entitled to (1) by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer real estate or improvements thereon, which are owned, directly or indirectly, by such Corporation, provided, that, the granting of easements for public utilities or for other public purposes which are consistent with the intended use of such property by the Corporation shall not be deemed a transfer within the meaning of this provision; (2) change the method of determining the obligations, assessments, dues or other charges which may be levied against a Townhouse Owner; (3) by act or omission change, waiver or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design or the exterior appearance of the Townhouses, the exterior maintenance of party walls or common fences or driveways, or the upkeep of lawns and plantings in Pirates Landing - 1; (4) fail to maintain fire and extended coverage on insurable common property upon a current replacement cost basis in an amount not less than One Hundred per cent (100%) of the insurable value, based on current replacement cost; or (5) use hazard insurance proceeds for losses to any common property for other than the repair, replacement or reconstruction of such improvements.

III.

Article IX is amended by the addition of Section 9.16, which shall read as follows:

Section 9.16. Any mortgagee holding a first lien imposed upon any Townhouse Lot to secure debt incurred for the

purchase thereof or for improvements thereto, shall be entitled to written notification of any default by the mortgagor of such Townhouse Lot and the performance of mortgagor's obligations under the Declaration and further, such mortgagee shall be entitled to an opportunity to cure or correct such default within thirty (30) days after receipt of such notification, as above provided. Further, any mortgagee holding a first lien upon any Townhouse Lot to secure debt incurred for the purchase thereof or for an improvement thereto, shall have a right to examine the books and records of the Corporation, during the regular and normal business hours of said entity.

Except as amended hereby, said Declaration is hereby confirmed and ratified by the undersigned and remains in full force and effect.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed by their duly authorized officers on the day and year first hereinabove written.
